

Corporate and Tax

Whether you are forming a new entity, raising capital, or structuring a transformational deal, our corporate and tax team can help you achieve your goals.

About

For your business to succeed, you need to keep entering new markets, closing deals, and clearing regulatory hurdles.

With our team by your side, you can accomplish anything.

You will receive personal, dedicated support from our senior corporate partners—one of the benefits of working with our high-quality, tight-knit team. You can expect efficient execution and lean staffing that often translates into cost savings. Our lawyers are responsive, nimble, and flexible in adopting new ways of doing transactions—based on what is most convenient for you.

Business-savvy Advice on the Full Range of Deals

We pride ourselves on delivering business-savvy advice on the full range of transactions—formation and organization, capital raising and financings, strategic business combinations, operational changes, joint ventures, acquisitions, dispositions, and exit strategies—as well as on day-to-day commercial activities and governance issues.

Tax Strategies to Boost Your Bottom Line

You can expect sound, sophisticated tax counsel at every stage of your business's life cycle. Our tax lawyers serve as a reliable partner for our clients. We advise on the most critical tax matters, including reducing overall tax costs and developing tax-efficient investment and operating structures.

You can rely on our tax planning counsel at each stage of a transaction, from early planning to successful conclusion, and recognize and appreciate our creativity in solving complex tax issues.

Our tax lawyers work closely with the corporate, real estate, and employee benefits and executive compensation teams to develop insightful and compliant tax strategies that advance your business goals while minimizing liability.
