

Current Developments in Federal Civil Practice 2010

PLI Program

Speaking Engagement

April 7, 2010

Partner Robert L. Haig spoke at PLI's program titled "Current Developments in Federal Civil Practice 2010," that was held at the PLI New York Center in Manhattan on April 7, 2010. This program "analyzes all the significant recent developments in federal civil practice and the implications of these developments for your practice and trial strategy." Mr. Haig's presentation focused on new developments in waiver of attorney-client privilege and work product protection under Federal Rule of Evidence 502, privilege logs, privilege challenges, in camera inspections, witness preparation, protective orders, appeals, and government investigations.
