

Daily Journal Notes Kelley Drye Representation on XPRT Case

July 14, 2010

The article "eBay Sued Over Payment Technology," explains XPRT inventors, George Likourezos and Michael Scaturro, shared ideas that they hoped to sell or license to eBay. The complaint states eBay acquired PayPal the next year and modified the payment system, capitalizing on XPRT's invention.

New York-based Kelley Drye partner Thomas Kinzler is lead counsel on the matter."
