

Data Privacy Regulatory Update

CompliancePoint Exchange 2025

Speaking Engagement

March 12, 2025 from 1:45 am to 2:30 am (EDT)

Partner [Aaron Burstein](#) will present "Data Privacy Regulatory Update" at CPX25, a two-day compliance event for marketing compliance and data privacy professionals presented by industry-leading professional services and technology providers in the space. State legislators, Attorney Generals, and the FTC have been actively engaged in protecting consumer privacy. This session will cover the latest happenings in the data privacy space and where to focus company resources to reduce risks surrounding this hot-button issue.
