

DOL Adopts Two Significant Changes to “Modernize” Overtime

Mark A. Konkel, Nicholas J. Kromka

July 22, 2020

Partner [Mark Konkel](#) and associate [Nicholas Kromka](#) co-authored an article in the *Employee Benefit Plan Review*, discussing two recent changes to overtime laws by the Department of Labor. These changes expand the overtime exemption for commission-based retail and service workers. The article examines how the additional compensation is compatible with fluctuating workweek method of computing overtime.
