

## Dustin Painter Quoted in Government Executive on Infrastructure Bill's Buy American Provisions

October 21, 2021

On the heels of the passage of a historic infrastructure package, *Government Executive* quoted Kelley Drye partner, [Dustin Painter](#), on the bill's provisions to expand the Biden administration's initiatives to support American manufacturing through federal procurement.

"The "Build America, Buy America" section of the infrastructure bill "actually goes well beyond" previous administrations' measures, such as those issued by the Trump administration, said Painter. While much will be contingent on how the administration implements the policies, this "is potentially very significant," he said."
