Special counsel [Ben Feder](#) authored the *Law360* article “EFH May Soon Become A Bankruptcy Mediation Success Story.” The article discusses chapter 11 mediation in complex cases that has evolved into a multi-party undertaking involving claimants from all levels of a debtor’s capital structure, with the ambitious goal of resolving the entire case through a consensual plan of reorganization. Specifically,

Ben outlines how mediation could possibly lead to an exit for Energy Future Holdings Corp.’s chapter 11 case, in which a consensual plan of reorganization could be confirmed by the end of 2015.
