About

Elli Teitz concentrated her practice on structuring and implementing business transactions, including taxable and tax-free mergers, acquisitions and divestitures, business start-ups, joint ventures, and equity and debt financings, with a particular focus on strategic tax planning.

Elli's practice also focused on venture capital and private equity, including advising sponsors, funds and portfolio companies from the formation stage through exit. She provided a broad array of tax services, including representing clients in tax controversies, utilizing partnerships and other tax-through entities in transactions and investments, and she advised tax-exempt entities.

She is currently a life partner in the firm.
