

Employee Leave Laws: Managing the Intersection of FMLA, ADA, and COVID Leave

WORKing Lunch - Labor & Employment Webinar Series

Firm Event

March 2, 2021 from 12:30 pm to 1:30 pm (EST)
New York

Complying with the ADA, FMLA and numerous new COVID-19 leave laws is a huge challenge for employers. More often than not, employers have to manage leave requests where two, or sometimes, all of these laws intersect. Whether it's dealing with the employee for whom no accommodation is good enough, or the employee whose expertise seems to be avoiding work—we've seen it all.

Join the Kelley Drye [Labor and Employment](#) team for a thorough review of the obligations under all of these laws, as well some practical advice for handling employee claims and implementation of necessary policies.
