

Enterprise Hadoop: Are We There Yet?

Sponsorship

October 15, 2014 from 6:00 pm to 12:00 am (EDT)

New York

New York, NY

Is the Enterprise adopting the open source Big Data framework? Kelley Drye & Warren is delighted to sponsor this event with the NY Technology Council.

2014 has been a big year for Hadoop, but how far along is Enterprise adoption of the open source Big Data framework? Please join NYTECH and Gigaom for a panel discussion around these topics and more, with some of the best minds in data and analytics today.
