

Environmental Law Fundamentals 101: A Comprehensive Guide to the EPA Laws Impacting the Regulation of PFAS in the United States

PFAS Regulation, Compliance and Litigation

Speaking Engagement

May 28, 2025 from 9:00 am to 12:30 am (EDT)

Partner [John Gilmour](#) will present "Environmental Law Fundamentals 101: A Comprehensive Guide to the EPA Laws Impacting the Regulation of PFAS in the United States" for American Conference Institute's PFAS Regulation, Compliance and Litigation Conference in New York City.

The workshop will be an engaging session designed to equip attendees with a clear understanding of the core environmental laws shaping the rapidly evolving landscape of PFAS regulation in the U.S: CERCLA, TSCA, EPCRA, RCRA and beyond. This master class sets the tone for the main conference by demystifying the foundational policies driving the future governance of PFAS chemicals.
