

Environmental Risk & PFAS Litigation Conference

New York City Bar Association

Speaking Engagement

June 16, 2026 from 9:30 am to 10:30 am (EDT)

Senior Associate [Dan Harrison](#) will be a panelist at the Perrin Environmental Risk & PFAS Litigation Conference in New York City.

Dan will participate in “PFAS Settlements,” a panel examining recent developments in PFAS litigation and settlement activity. The discussion will cover the DuPont and 3M trial landscape, the status of proposed PFAS settlements, and trends in PFAS-related claims activity, including whether anticipated large-scale litigation has materialized.
