

EPR Think Tank

Speaking Engagement

May 28, 2025

Special Counsel [Katie Rogers](#) will be a speaker at American Conference Institute's EPR Think Tank. Extended Producer Responsibility (EPR) packaging laws are significantly impacting the consumer-packaged goods and related industries. The event will be an opportunity to hear directly from regulators, industry leaders, and compliance experts on how to manage costs, meet reporting requirements, and align with evolving EPR packaging laws. Topics will include:

- Updates from various states on EPR program implementation
- Key challenges encountered so far
- Lessons learned from the early-adopting states
