

Executive Series: Moving from a Microscope to a Telescope - An In-House View from Ex-Regulators

NACHA

Speaking Engagement

May 2, 2022 from 10:00 am to 10:50 am (EDT)
Washington, DC

Partner [Laura VanDruff](#) will be speaking at NACHA's annual conference in Nashville May 2 on the Executive Series panel "Moving from a Microscope to a Telescope: An In-House View from Ex-Regulators." The panel will discuss lessons learned while working in the government, financial privacy and fraud prevention, and how companies can best protect customers and company assets and keep up with regulatory expectations.
