

FCC Competition Update

August 29, 2006

Kelley Drye & Warren LLP's Communications Practice Group issues a weekly FCC Update for clients which summarizes the principal activities in selected proceedings of importance to competitive telecom providers. Highlights in this issue include:

- Commission Releases a Biennial Regulatory Review of Regulations Administered by the Wireline Competition Bureau.
- Federal-State Joint Board on Universal Service Seeks Comment on the Merits of Using Auctions to Determine High-Cost Universal Service Support.
- Commission Seeks Comment on Competition Bidding Procedures for Auction No. 68 for FM Broadcast Construction Permits.
