

Financement Et Gestion De La Société

[Laurence J. Lasoff](#), [Merrill B. Stone](#)

August 1, 2009

The chapter, "Financement Et Gestion De La Société," published in *S'implanter Aux États-Unis*, is a guide published for businesses by Ubifrance, an agency of the French government. The guide focuses on the legal and economic issues involved in a French company's expansion of business into the United States. The chapter discusses finance guarantees, incentives, accounting, private equity, methods of payment, customs, logistics and currency risks.
