

From Policy to Practice: Operationalizing Global Age Assurance

Speaking Engagement

March 25, 2026 from 10:00 am to 11:00 am (PDT)

Partner [Laura Riposo VanDruff](#) will present "From Policy to Practice: Operationalizing Global Age Assurance" for a Marketplace Risk webinar. Along with her fellow panelists, Laura will explore what "reasonable" age assurance means in practice, and how organizations can build a durable, future-proof framework. They will discuss what regulators are prioritizing and how enforcement is likely to unfold.
