

FSVP and Other Proposed Rules Under FSMA

FDLI's Food Week 2014

Speaking Engagement

February 13, 2014

Washington, DC

Washington, D.C.

On February 13, 2014 associate [Grace W. Kim](#) spoke at the Food and Drug Law Institute's Food Week 2014. Ms. Kim was part of a panel titled "FSVP and Other Proposed Rules Under FSMA," which discussed regulations for the Foreign Supplier Verification Program (FSVP), which is a key component of the Food Safety Modernization Act. Ms. Kim provided an overview of importing food into the U.S., custom requirements and how FMSA might change current food importation requirements.
