

# Future of Privacy Forum Working Group

Speaking Engagement

May 13, 2025

[Go to Event Page](#)

Associate [Meaghan Donahue](#) will speak at the May 13 Future of Privacy Forum's (FPF) Working Group monthly Health and Wellness call. She will be discussing the New York Health Information Privacy Act, which is a bill that would regulate the collection and use of broadly defined "regulated health information" in the state.
