

## Gonzalo Mon Quoted by Minnesota Star Tribune on 'Made in USA' Suit

April 28, 2025

Partner [Gonzalo Mon](#) was quoted by the Minnesota Star Tribune in “What does ‘Made in the USA’ mean? Minnesota businesses like Nordic Ware are questioned.” The article discusses a new suit against Nordic Ware claiming their ‘Made in the USA’ labels are misleading. Nordic Ware is known for producing aluminum cake and loaf pans, and the United States does not process raw aluminum. The article also touches on the affect that new tariffs are having on ‘Made in the USA’ cases.

“It is front and center. I suspect more companies are going to try to capitalize on that and talk about what’s ‘Made in the USA,’” said Mon. “We will see class action attorneys paying more attention.”
