

# Highways, Bridges and Broadband: Breaking Down the \$1.2 Trillion Infrastructure Bill

Firm Event

November 19, 2021 from 1:30 pm to 2:30 pm (EST)

Washington, DC

Webinar

After months of deliberation, on November 5th the U.S. Congress passed the \$1.2T Infrastructure Investment and Jobs Act, which will deliver \$550 billion of new federal investments in America's infrastructure over five years. The bipartisan bill contains \$260 billion for transportation and transit investment; \$90 billion for investment in clean technologies; \$84 billion for water infrastructure and \$100 billion for digital infrastructure.

We hope you can join us on Friday, November 19th as we explore the details of this historic spending bill, including:

- Overview of the Infrastructure Investment and Jobs Act
- Transportation Provisions
- Energy Provisions
- Water Infrastructure
- Broadband
- Cybersecurity
- Buy America and Buy American Domestic Content Requirements
