

How Retailers and Restaurants Can Manage Cyber Risk

Marsh USA

Speaking Engagement

July 17, 2014

Washington, DC

On July 17, 2014 partner [Alysa Zeltzer Hutnik](#) will be a panelist for the Marsh USA webinar “How Retailers and Restaurants Can Manage Cyber Risk.” This program will discuss how to mitigate retail- and restaurant-specific exposures and how to mitigate risks associated with first- and third-party claims following a breach, as well as provide recent information on security and privacy litigation and discuss cyber liability insurance solutions and the underwriting process.
