Partners [Alysa Hutnik](#) and [Lauri Mazzuchetti](#) co-authored the *Law360* article, “How Your Call Records Can Help Your TCPA Defense.” Despite companies’ endeavors to comply with the Telephone Consumer Protection Act, a company will still likely face at least one TCPA lawsuit if placing direct outreach efforts by phone, messaging platform, or fax. The article discusses data analysis steps that a company can take to better understand its contact practices and how to use that information to strengthen its TCPA class action defense.
