

# India Business Law Journal Names Kelley Drye Partner Among Top-100 International India Law Experts

April 2, 2020

The *India Business Law Journal* has revealed its 2020 A-list of the top 100 India-focused legal experts who are located outside of India. Included in this year's listing is the chair of the Kelley Drye [India practice group](#), [Deepak Nambiar](#). This marks the second year on this prestigious list for Deepak.

To identify the top 100 international India experts, *India Business Law Journal* polled hundreds of lawyers at Indian law firms, as well as thousands of India-focused in-house counsel in the country and around the world, and asked them which attorneys should make the list, and why.
