Partner [Paul Rosenthal](#) has become the fourth Kelley Drye partner to write a chapter in the treatise, *Successful Partnering Between Inside and Outside Counsel*. Paul recently co-authored a new chapter on "International Trade" with Paul M. Liebenson, the General Counsel of ArcelorMittal USA. Partner [Robert Haig](#) is the Editor-in-Chief.

Successful Partnering is a four volume, 7,000 page treatise which is a joint venture of the Association of Corporate Counsel and Thomson Reuters. Among the authors are the general counsel of more than 80 *Fortune* 500 companies. The treatise covers all aspects of corporate law department operations and management, 30 substantive law subjects, and all aspects of the relationships between inside and outside counsel.
