

Introducing the Food and Drug Law Access Blog

March 14, 2012

We are proud to announce a new blog from Kelley Drye & Warren LLP: [Food and Drug Law Access](#).

This sister blog to Ad Law Access provides news and commentary concerning food and drug law and public policy developments, including legislative, regulatory, enforcement, and case law developments relating to the federal laws administered by the FDA, USDA, and related state laws. It also provides timely reports concerning the international programs and policies of the FDA and USDA, and foreign governments.
