

Investigating and Prosecuting Digital Trade Secret Theft

Brooklyn Law School Trade Secrets Symposium

Speaking Engagement

November 17, 2015

New Jersey

Brooklyn, NY

Associate Glenn Graham was a panelist for "Investigating and Prosecuting Digital Trade Secret Theft" at the Brooklyn Law School Trade Secrets Symposium on November 17, 2015.

Cybercrimes are on the rise, creating new challenges for private companies and government alike. This Symposium brought together experts from government, academia, and private practice to discuss how companies can defend themselves against cybercrime attacks and how to prosecute those responsible.
