

Iran Sanctions Update

Hydraulics Institute/Valve Manufacturers Association
International Trade Task Force Webinar

Speaking Engagement

February 5, 2014

Washington, DC

On February 5, 2014 senior international trade/tax advisor [Gregory J. Mastel](#) led the Hydraulics Institute/Valve Manufacturers Association International Trade Task Force Webinar titled "Iran Sanctions Update." The program provided a discussion of Iranian economic sanction developments as a result of recent U.S.-Iran negotiations.
