

It's 9 AM, Do You Know Where Your Employees Are?

How to Manage a Remote Workforce

Firm Event

October 31, 2018 from 12:00 pm to 1:00 pm (EDT)

New York

Webinar

As workforces become increasingly mobile, employers face the challenge of balancing data security with employee privacy rights. There remain increasing pressures on employers to gather and utilize employee data through the monitoring of employee communications to measure productivity, maintain corporate image, and to deter or prevent wrongdoing. This webinar presentation will discuss the laws, regulations and strategies employers should be aware of when managing a remote workforce, including data and other information security, confidentiality, wage and hour concerns, workers' compensation/liability issues, and posting requirements.
