

Keeping Up with the Consumer Product Safety Commission: Update on Recent CPSC Developments

Kelley Drye Webinar

Firm Event

March 29, 2017 from 12:00 pm to 1:00 pm (EDT)
Washington, DC

With the complexity of today's product safety regulatory environment and the civil penalty amounts for failure to report safety hazards, it is more important than ever for manufacturers and retailers to identify and resolve potential liability issues confidentially before they draw scrutiny from regulators and negative publicity.

Please join chair of Kelley Drye's Advertising and Marketing and Consumer Product Safety practice [Christie Grymes Thompson](#) for an update on consumer product safety. The webinar will cover hot button legal issues and summarize significant developments in consumer product safety and at the Consumer Product Safety Commission.
