

Kelley Drye Featured in Sourcing Journal Discussing Biden's New Trade, Climate & Infrastructure Policies

January 29, 2021

Partners [Dana Wood](#), [Paul Rosenthal](#), [Dustin Painter](#) and [Wayne D'Angelo](#) were all featured in the *Sourcing Journal* article discussing the differences and potential changes in tariff policies between the Biden and Trump administrations. "You can expect a continued focus on forced labor, particularly from China's Xinxiang region," said Rosenthal. "Beyond human rights issues, expect continued bipartisan interest in China's trade and economic policies."
