

Kelley Drye Represented Tata Consultancy Services in Its \$700 Million Acquisition of Coastal Cloud

February 9, 2026

Kelley Drye & Warren LLP represented Tata Consultancy Services (“TCS”) in its acquisition of Coastal Cloud, a U.S.-based Salesforce consulting firm.

Coastal Cloud is a leading Salesforce consulting firm focused on helping organizations drive growth through technology and data. The transaction strengthens TCS’s Salesforce capabilities and expands its U.S. footprint, supporting enterprise clients with digital transformation, cloud implementation, and customer experience solutions.

The corporate deal team consisted of partners Deepak Nambiar and Wendy Clarke and associates Lauren Kouser and Alexandra Breton. Others who advised on the matter were: Andrew Lee (Tax), David Evans (Antitrust), Victoria Anderson (Employment Benefits), Alison Frimmel and Benjamin Gilman (Labor and Employment), Eric McClafferty (Export Control), Aaron Burstein (Privacy and Information Security), and Benjamin Kaufman.
