

Kelley Drye Victory Featured in Associated Press, Bloomberg, CBS and Other Media Outlets

October 16, 2020

The *Associated Press*, *Bloomberg*, *CBS* and numerous other news organizations have covered a federal judge's ruling that found California's ban on selling alligator products probably violates federal laws and the state cannot enforce it while various legal challenges remain in court. Kelley Drye represents the plaintiff and partner [David Frulla](#) is quoted in the articles discussing case and the factors that led to the judge's ruling.
