

2016 Advertising and Privacy Law Summit Attendee Follow up

October 3, 2016

As a follow up to Kelley Drye's 4th Annual [Advertising and Privacy Law Summit](#), we are providing attendees with a copy of our [desktop reference guide](#). The guide covers many of the topics discussed at the Summit, with sections on advertising and marketing standards, privacy and data security, and consumer product safety, and provides practical pointers for each.

Thank you again for attending the Summit. We hope you enjoyed the content and opportunity to connect with others who regularly handle advertising and privacy issues. The presentations and supporting materials from the Summit and Boot Camp are also available [on our blog](#) using the same **KelleyDryeAdLaw** password. We welcome your feedback, so please send it to summit@kelleydrye.com.

To stay up to date throughout the year and learn the latest developments on consumer protection issues, please subscribe to our blog, [Ad Law Access](#), follow us on [LinkedIn](#), [Facebook](#), [Twitter](#).

See you in 2017!
