

# Kelley Drye's Alysa Hutnik Quoted in Bloomberg Law Article

April 27, 2020

Partner and Privacy and Information Chair [Alysa Hutnik](#) was quoted in *Bloomberg Law's* article "Apple, Google Must Vet Tracing Apps or Face Lawsuit Risks" about ensuring that the public health apps in their digital contact-tracing system have adequate privacy protections.

Alysa states that any lawsuits against the companies would likely allege that "they should have the set a standard higher" and known about any vulnerabilities of the apps.
