

Kelley Drye's Full Spectrum Podcast

August 1, 2016

Five months ago, [Kelley Drye's Communications practice group](#) launched the [Full Spectrum podcast](#). Since then, they have recorded and posted ten episodes, featuring several different attorneys speaking on the most timely trends and issues in the Communications industry. While the podcast is still new, it has gained a substantial following through [iTunes](#), [SoundCloud](#), their [podcast website](#), and [blog posts](#).

Episodes are posted twice monthly and include topics such as the [monthly FCC Enforcement update](#). Take a moment to check out the podcast for legal discussions related to the technology, media and telecommunications industries. Kelley Drye's Full Spectrum is also available on [iTunes](#).
