January 15, 2009

To help you navigate how your business practices may be affected under the Obama Administration and the 111th Congress, Kelley Drye's Government Relations & Public Policy Practice has prepared the attached "Overview of the Obama Administration and the 111th Congress."

Designed to serve as a comprehensive introduction to the Obama Administration and the 111th Congress, the overview discusses the potential impacts that expanded Democratic leadership will have on the policy landscape. Additionally, the overview identifies potential legislative priorities of the 111th Congress and provides a substantive analysis of key issue areas.
