

# Laura VanDruff Quoted on NetChoice Lawsuit

February 12, 2026

Partner [Laura Riposo VanDruff](#) was quoted by *Privacy Daily* in their article, "Consumer Advocates Unsurprised at NetChoice's Challenge of South Carolina AADC." The article covers NetChoice's suit against South Carolina over its Age-Appropriate Design Code (AADC), which challenges the South Carolina's code on first amendment grounds, including its requirement for independent third-party audits.

"Consistent with prior challenges to age-appropriate design codes, NetChoice is framing the audit obligation—like [Data Protection Impact Assessments] requirements elsewhere—as a form of compelled speech," she said.
