

## Law360 Names Kelley Drye One of Five Midsize Firms to Watch

October 27, 2015

Kelley Drye is featured in *Law360's* article "5 Midsized Firms to Watch." *Law360* recognized firms with between 100 and 450 attorneys that are making big moves in 2015. Specifically, the publication notes that Kelley Drye values its independence and its culture as a "true partnership." *Law360* also notes that the firm recently brought in the team from Ward & Zinna LLC, an IP litigation boutique, rather than bringing in individual laterals from rival firms. Adding attorneys that worked together previously eases the transition for clients and helps the attorneys hit the ground running.
