

Law360 Quotes Benjamin Feder in Bankruptcy Cases To Watch In 2018

January 1, 2018

Special counsel [Benjamin Feder](#) was quoted in the *Law360* article "Bankruptcy Cases To Watch In 2018" regarding the extent of constitutional authority held by U.S. bankruptcy judges in the Chapter 11 case of lab testing company, Millennium Lab Holdings II LLC. Feder contends that the high court's ruling has created uncertainty over the extent to which the power of bankruptcy courts to issue final orders is limited by their status as Article I courts.

"The importance of Millennium Lab Holdings and why people will be watching it carefully will be to see whether the Third Circuit Court of Appeals eventually will adopt the straightforward and pragmatic approach articulated by Judge Silverstein," Feder said.
