

Law360 Quotes Senior Associate Brooke Ringel on Commerce's Decision of Duties on Imports of Tool Chests and Cabinets from China

November 28, 2017

Senior associate [Brooke Ringel](#) was quoted in the *Law360* article "US To Hit China With Tariffs Over Tool Chests And Cabinets." The U.S. Department of Commerce announced that it is finalizing countervailing duties on imports of tool chests and cabinets from China. "The domestic industry is pleased with the strong, affirmative finding by Commerce that tool chest producers in China are unfairly subsidized by their government," Brooke noted. "We are one step closer to the relief that U.S. producers sorely need."
