

# Lawsuits and Laws In Vogue: What To Keep an Eye On in 2021

WORKing Lunch - Labor & Employment Webinar Series

Firm Event

January 26, 2021 from 12:30 pm to 1:30 pm (EST)

Los Angeles

Emerging vaccines bring hope during the ongoing pandemic, but there's little relief in sight for the upward trend in COVID-19-related lawsuits. Adding to that, employers still have to comply with existing employment laws and legislation, even when new COVID-19-related laws are the main focus. The Kelley Drye Labor and Employment team took a deep dive into COVID-19 litigation and legislative trends, including:

- Discrimination, retaliation, and COVID-19-related lawsuits
- Vaccine mandates and disputes
- New pay equity laws
- COVID-19 workplace reporting laws
- Remote work and return-to-the-office challenges
- Whistleblower claims
- And much more
