

Lawyers Have Heart

June 30, 2016

The DC office again sponsored the annual Lawyers Have Heart race. The 10K race, 5K run and walk is Washington's largest 10K race and a premier philanthropic event in the DC legal community benefiting the American Heart Association. In total, the event raised over \$600,000. We had 32 attorneys, staff and summer associates participate in the race on June 11.
