

Lessons from Recent Regulatory Actions Involving Cloud Services

Big Data in the Global Cloud

Speaking Engagement

April 30, 2013

Washington, DC

On April 30, 2013 partner **John E. Villafranco** spoke at the Law Seminars International: Big Data in the Global Cloud conference in Seattle, WA. He presented the session "Lessons from Recent Regulatory Actions Involving Cloud Services," which discussed third-party liability risks for cloud service providers. Topics to be covered included international dispute resolution, jurisdictional issues, and tips for resolving issues in foreign forums.
