

Managing Technology Transfers and Deemed Exports

Global Trade Compliance Conference

Speaking Engagement

May 4, 2010

Partner Eric McClafferty participated in a panel session titled “Managing Technology Transfers and Deemed Exports” at the Global Trade Compliance conference hosted by The Center for American and International Law in Plano, TX on May 4, 2010. Mr. McClafferty and his fellow presenters discussed how to manage basic and advanced technology export, reexport and deemed export issues. The conference facilitated an exchange of ideas among seasoned senior trade compliance professionals from a wide variety of industries.
