

# Managing the Overlap of Economic Sanctions and Export Controls: Special Considerations for Encryption, Cloud and Cyber Products, and Controlled Data

ACI's 15th Forum on Global Encryption, AI, Cloud & Cyber Export Controls

Speaking Engagement

March 27, 2025 from 1:45 pm to 2:30 pm (PDT)

Kelley Drye [Export Controls](#) partner, [Kristine Pirnia](#), will join in-house compliance counsel from NVIDIA and Intel to discuss the interplay between data and technology export controls and sanctions; review best practices for establishing complementary sanctions compliance and export controls for data and technology infrastructure and offer practical insights to design an effective third-party due diligence program to protect your company from sanctions and export control risk. Full details on the conference and registration links are available [here](#).
