

Managing the Risk of Civil Claims

Slaughter and May's Data Privacy Forum Academy

Speaking Engagement

December 4, 2024

New Jersey

Virtual and In-Person

Partner [Lauri Mazzuchetti](#) will present on "Managing the Risk of Civil Claims" at Slaughter and May's annual Data Privacy Forum Academy. The session will discuss civil claims risk related to data privacy law across the U.K., E.U., U.S., and Asia. Panelists will review the legal principles behind private actions, potential for class actions, innovative claim types, practical challenges for litigants, remedies, and strategies to mitigate risk.
