

Manganese Ore and Its Alloys

North American Ferroalloys Conference 2017

Speaking Engagement

September 8, 2017 from 4:00 pm to 5:00 pm (EDT)

Washington, DC

Special counsel [Joseph Green](#) was a panelist on the "Manganese Ore and Its Alloys" roundtable at the North American Ferroalloys Conference. Topics included:

- What are the challenges to reducing excess inventory from manganese producers?
- Will China continue to enforce stricter environmental policies and shut down non-compliant plants next year? How will this affect exports to North America?
- With manganese ore's continued contractions, how will supply dynamics be affected?
- What effect will the new ore projects have on manganese prices, if any?
- Are smelters anticipating a price fall and reduced buying?
