Can & Composite Tube Institute 2026 Annual Meeting

Speaking Engagement

April 23, 2026 from 9:15 am to 10:15 am (EDT)

Partner [Brooke Ringel](#) will be speaking at the Composite Can & Tube Institute (CCTI) Annual Meeting on April 23, 2026. As the Meeting's keynote speaker, Brooke will discuss how evolving trade policies, tariffs, and enforcement actions are reshaping cost structures, sourcing decisions, and market access across the can and composite tube industry as well as strategies CCTI members can use to manage risk, preserve competitiveness, and strengthen supply chain resilience amid ongoing global trade uncertainty.
