

Media and Entertainment

Post-pandemic box office woes, the writers' strike, the move to streaming, and generational shifts in media consumption have upended the media and entertainment industry. From IP protections and labor relations to corporate and talent disputes, Kelley Drye's experienced and knowledgeable media and entertainment team helps clients through it all.

About

With full-service offerings from locations across the United States, Kelley Drye is deeply enmeshed in the needs and opportunities of the media and entertainment industry. Our [seasoned litigators](#), [corporate dealmakers](#), and [policy advisors](#) understand what keeps industry leaders up at night and how to position them for continued success. And those clients seamlessly draw on the firm's deep knowledge and experience in an array of niche areas.
